Spring is Coming, Along With the Rain

It is officially March! Spring is on its way, Ohio! While the flowers and warmer weather are great perks, unfortunately, they are not the only thing spring brings when it arrives. Floods are a part of the deal when spring hits and sadly for residents, they are not something you can escape becoming a victim from too easily. One of the best options you have to determine your threat level of a flooding is to check the angle of the ground to see where water is being directed during the average rain storm. You want the water to be flowing away from your home. If the issue is something your street is prone to, you should contact your county planning or environmental service department so they can make suggestions on ways to help.

When flooding occurs, most people do not realize until the damage is done, that they do not have flood insurance. Flood insurance is a separate insurance that needs to be discussed with your agent. Don't wait until it's too late and the damage is done! Contact your insurance agent and discuss your options!

Document identification cards to be issued in your neighborhood!

Zoning

Remember to file your zoning amendments and resolutions. As required by Ohio Revised Code, local townships are required to file zoning resolutions and amendments with the County Recorder within five (5) working days after and amendments effective date. Any new zoning text effective in 2016 must also be filed in the County Recorder's office. See Section 317.32 for more information.

Veteran Events in Stark County

On November 11, 2015 the Stark County Recorder's Office joined Plain Township to honor our veterans. Over one hundred veterans attended. They were served breakfast and given the opportunity to receive their document identification card from the Recorder's Office staff. This event was such a success that our office made the decision to attend more veteran events, where we will issue document identification cards. Our goal is to visit a different city, village or township once a month to get out and meet with our local veterans as well as issue document identification cards. More information to come on our future events!

What veteran's need to bring in order to receive their card:

- * Copy of your DD214
- * 2 Forms of Government Issued ID (one MUST have a photo)
- * One dollar

We Have Updated Our Health Care Cards!

At the Recorder's Office you can file your Living Will and Durable Power of Attorney for Health Care. A living will is a legal document that, should you become terminally ill or unconscious, your wishes regarding life-sustaining treatment are made known. A durable power of attorney for health care is a legal document that gives the authorization to another person to make health care decisions for you if, for some reason, you are unable to. The Recorder's Office has created a card for these important documents since 2001, but has recently improved and updated them.
